

VENUM KONTACT EVO SHINGUARDS - BLACK

The Venum "Kontakt Evo" shinguards have been engineered to flex and form naturally with the motion of your shin and your instep in order to provide the ultimate anatomical protection. Their flexible hinge - with elastic straps - fits comfortably to anyone of your positions and leg shapes delivering a secure maintain during intense action and enhanced mobility. Contouring your leg the Venum "Kontakt Evo" shinguards acts as a second strong layer of skin, making them ultra versatile and adapted to wide range of combat sports: MMA, Muay Thai, Kick Boxing, Karate, Taekwondo ... Benefiting from a low-profile construction, the Venum "Kontakt Evo" shinguards are designed with reinforced foam strategically placed, from your instep to the top of your shin. Delivering an optimal shield of your striking surface, the Venum "Kontakt Evo" shinguards ensure superior protection during attack or defense phases. Open areas and mesh panels have been designed in order to facilitate the sweat escape and accelerate your body thermoregulation. Featuring 3D embossed grip, the Venum "Kontakt Evo" shinguards will help you to increase your takedown and sprawl techniques with unmatched mat traction. More stable, you will be able to deploy all your power with strong and dynamic kicks.
